## Château Croix de Bertinat

Cuvée Lorexandre

2008

Appellation	Saint Emilion
Location	Saint Sulpice de Faleyrens, southwest of Saint Emilion
Soil	Siliceous gravels
Planted area	0,6 hectares
Density	5500 plants/ha
Average age of vines	55 years
Grape varieties	Merlot 50%, Cabernet Franc 50%
Harvest	Mechanical with hand sorting
Maceration	25 days
Ageing	In French oak barrels
Production	3 600 bottles
Bottle size	750 ml
Tasting notes	Ruby robe with bright-red fringes. The nose is fruity, with cherry notes, enhanced by a delicate woody note; then aromas of character are revealed, spices, nutmeg, white pepper. The attack in mouth is smooth; the silky tannins are carried by a beautiful roundness. The finish brings back spicy notes of black pepper, curry and eucalyptus.
